

EXCLUSIVE WASTE ARRANGEMENTS

Litho Supplies recommends Saxon Recycling for the removal and disposal of all your Hazardous Waste needs.

Saxon Recycling offers not only a complete Hazardous Waste collection service but also arrange the recycling of aluminium plates that can be paid for in cash or by cheque immediately upon collection or offset against charges for waste materials.

In summary, Saxon Recycling offer Litho Supplies customers:

- A fully compliant hazardous waste management service and the assurance that your waste is being removed and processed in accordance with all legislative requirements thus avoiding punitive financial penalties on your business through non-compliance
- Registration with the Environment Agency of your premises and annual reminders for renewal
- Quarterly returns of your hazardous waste movements to you and Environment Agency in accordance with the Regulations
- Information and advice on your waste management programme
- Cash returns for your valued materials
- Vehicles fitted with digital scales for accurate and immediate payment
- Personal service, tailor made to the commercial needs of your business
- A regular hassle free collection service by trained experienced staff

For further information on how you can take advantage of the arrangement with Saxon Recycling negotiated to your benefit by Litho Supplies contact us on the following telephone number or alternative please complete the assessment form overleaf and return to Saxon Recycling or pass directly to your Litho Supplies Account Manager.
